# Remembrance Day

This month, it's remembrance day! On the 11th of November we celebrated and paid respects to the lives of people lost in the war. If you have any family members like a great Grandmother or Grandfather let us know and we can mention you next week!
Mr Mead did the annual trumpet song called 'The Last Post' and we had our 2 minutes silence.

# Bonfire Night

Guy Fawkes Night, also called Bonfire Night or Fireworks Night, happens every year on the 5th of November in Britain. People celebrate by having bonfires and watching fireworks. The tradition started in 1605, when a man called Guy Fawkes was caught trying to blow up the Houses of Parliament with barrels of gunpowder. He was part of a group of men who wanted to kill King James I because they disagreed with his religion. Luckily, the plan failed and the King was safe. To celebrate, people lit bonfires across London or did firework displays, and this is how the tradition of Bonfire Night began.

Don't forget the rhyme:

*Remember, remember, the 5th of November, gunpowder, treason and plot!*

# The New P.S.H.E Topic and Fire Safety

This P.S.H.E topic this term is celebrating differences! We will be learning about treating others who are different from us kindness and treating them with the same respect we want to be treated with. And the safety topic this term for the whole school is fire safety!

We will learn about how to escape a fire safely, how to safely handle a fire and how to call and ask for the fire services (999)!

## Traffic safety

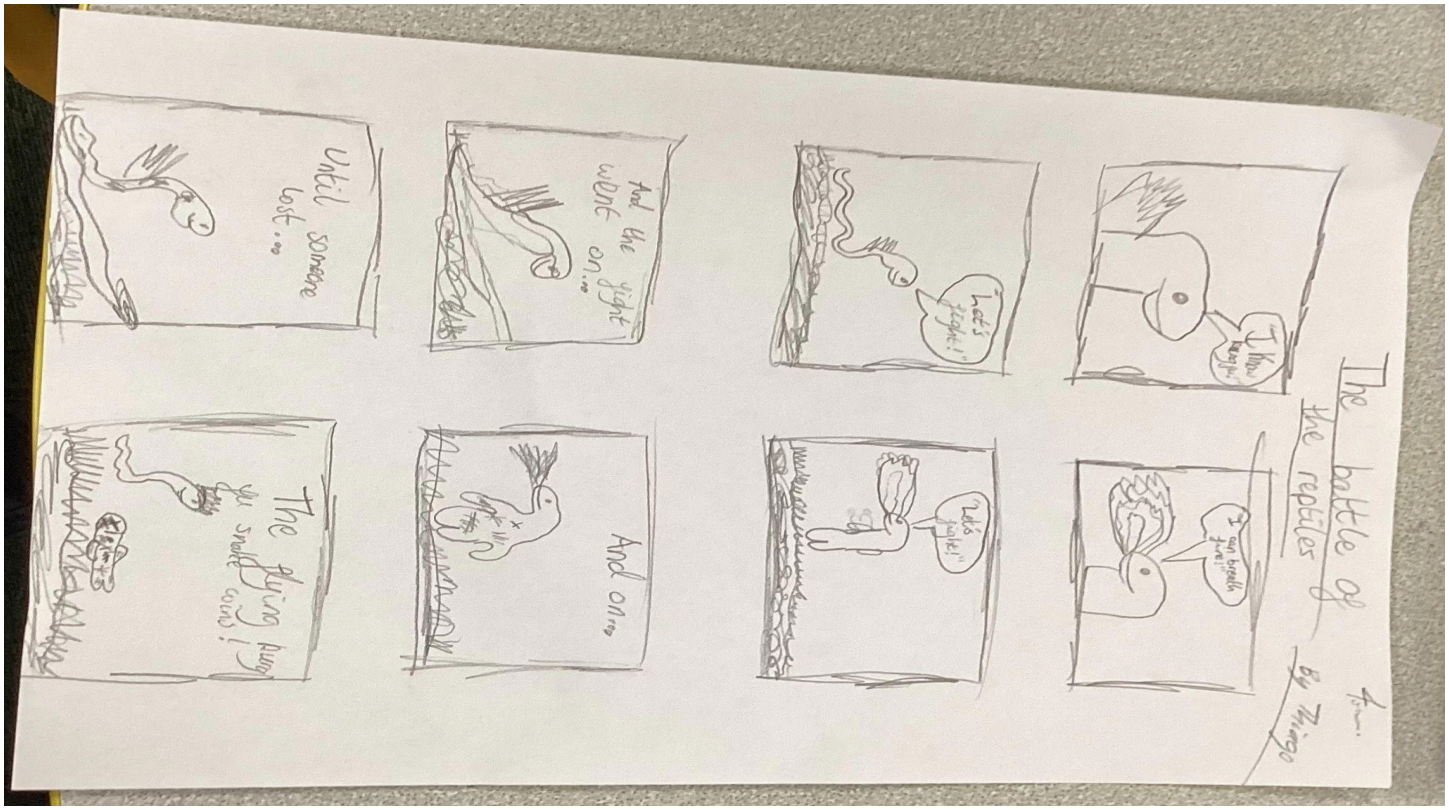

As you might already know, lots of people have been seriously hurt and injured because they have not been looking while walking on the road. We need to be aware, to listen, look side to side and walk on the white zebra crossing. This is very important - even if it's a quiet street . If your parents are on the phone or not concentrating, please warn them to not look at their phones and concentrate on the road and keep their hands on the steering wheel!

## Children in Need: AKA PUDSEY DAY

For Pudsey Day, we have been doing 26 of something chosen by your class to do on the 13th of November as it is 2026, you would have been asked to raise two pound twenty six pence giving to children in need. There has also been a challenge of art to create the character of Pudsey to win an unknown prize but there would have to be a one pound entry. There will be one winner out of your class made out of whatever appropriate material.

Diwali (festival of lights) is a celebration of the return of Rama and Sita in the north of India.
Hindus are not the only religion that celebrates because sikhs and jains also have a way to celebrate diwali!

They put lights outside the door to show the way for Rama and Sita. There's a whole story about them! We've learned about this!
